MEMORANDUM FOR: Director, Office of Congressional Affairs
FROM: Director, CCISCMS/ICS
SUBJECT: Coordination on Unauthorized Disclosures

1. The Unauthorized Disclosure Analysis Center (UDAC), was established by the DCI to serve as his focal point on matters concerning unauthorized disclosures of classified intelligence. In order to ensure the UDAC's ability to keep the DCI informed on all facets of the unauthorized disclosure problem, OCA is requested to keep the UDAC advised of any correspondence, reports, or other documentation, as well as information on any meetings, briefings, or other activities regarding that subject, especially possible legislation.

2. To be useful, information on unauthorized disclosures is needed as soon as possible. The Security Committee has actively assisted OCA in the past with comments or critiques of proposed correspondence, reactions to potential security legislation, etc. It will greatly assist the UDAC in serving the DCI as a comprehensive, up-to-date source on unauthorized disclosures if other components keep the Center current on various aspects of the problem.

3. Your cooperation in maintaining the register of unauthorized disclosures of classified intelligence and related matters is greatly appreciated. The availability of relevant information is essential to the DCI's effort to combat these disclosures.
